Text 8002221222@njpies.org

*“All things are poisons, for there is nothing without poisonous qualities. It is only the dose which makes a thing not a poison.”*

**Paracelsus**

## **It's Not Just Poisons!**

**The Poison Control Center is here for Information and Questions Too!**

**Call the Poison Control Center for:**

- Free, Professional Treatment Advice
- Poison Prevention Information
- Answers to Medication or Poison Questions

We are here 24 hours a day, 365 days a year!

**Remember; Help Is Just A Phone Call Away!**

**Yes! I'd like to be counted among the Friends of NJPIES!**

Poisoning can happen to anyone at any age. Know what TO DO and what NOT to do...

## DO

**DO** Remain calm. The Poison Control Center will help you.

**DO NOT** Drink Milk or Water. Call the Poison Control Center.

**DO** call the New Jersey Poison Control Center  
**1-800-222-1222**

**DO NOT** Take (Give) Syrup of IPECAC unless you are told to do so by the Poison Control Center or your physician.

*If the eyes are involved:*  
**DO** Rinse the Victim's eyes. Use a gentle stream of warm water. Pour through the eye.

**DO NOT** Follow First Aid Directions on the bottle. Many are wrong.

*If the skin is involved:*  
**DO** Wash the Victim's skin. Use warm water and mild soap.

**DO NOT** Rush to the Hospital Emergency Room. The Poison Control Center will make transportation arrangements if necessary.

Peel off here and place on clean, flat surface.
