## What Is A POISON?

A Poison is any substance that can harm your body. Many people think that only children are at risk. But **anyone at any age** can be poisoned.

## POISONS In Your Home

- Medicines
- Household Cleaning Products
- Bug Killers
- Car Products

Keep these items in a safe area in your home.

### POISON Can Hurt You If:

- You swallow it
- You breath in the odor
- You get it on your skin
- You get it in your eyes

# SAFETY TIPS!

- Store poisons in LOCKED CABINETS.
- Keep products in their ORIGINAL CONTAINERS.
- Keep the Poison Center Hotline Number near your phone.
- WHEN USING A PRODUCT:
  1. Follow the directions on the LABEL
  2. Wear gloves and eye goggles
  3. Keep windows open
