Poisoning can happen to anyone at any age.
Know what TO DO and what NOT to do...

DO

DO remain calm.
The NJ Poison Control Center will help you.

DO NOT drink milk or water. Call the NJ Poison Control Center.

DO call the NJ Poison Control Center
1-800-222-1222

DO NOT take (give) syrup of ipecac or make vomit unless you are told to do so by the NJ Poison Control Center or your physician.

If the eyes are involved:
DO rinse the victim's eyes. Use a gentle stream of warm water. Pour through the eye.

DO NOT follow first aid directions on the bottle. Many are wrong.

If the skin is involved:
DO wash the victim's skin. Use warm water and mild soap.

DO NOT rush to the hospital emergency room. The NJ Poison Control Center will make transportation arrangements if necessary.

Peel off here and place on clean, flat surface.

“All things are poisons, for there is nothing without poisonous qualities. It is only the dose which makes a thing not a poison.”

Paracelsus

It's Not Just Poison!

The NJ Poison Control Center is here for information and questions too!

- Free, Professional Treatment Advice
- Poison Prevention Information
- Answers to Medication, Toxin or Health Related Questions

We are here 24 hours a day, 365 days a year!

Remember, Help Is Just A Phone Call Away!

Save the Poison Help number, 1-800-222-1222, in your phone and post it in your home.

Yes! I'd like to be counted among the Friends of NJPIES!

Enclosed is my donation to the NJ Poison Control Center Hotline Fund.
